

## MARCH 2018 SPECIALS

### CAMELEON SIDEWALK TRACTOR

The Cameleon® is a multifunctional vehicle designed and manufactured by R.P.M. Tech. This revolutionary and unique vehicle can transform from a track vehicle to an articulated four wheel drive vehicle as needed. Equipped with a Caterpillar Diesel Tier 3, Tier 4 Flex, engine of 97 kW (130 hp), the Cameleon supplies more hydraulic power and is the most powerful compact vehicle on the market. Its certified ROPS and FOPS aluminum cabin, mounted on air ride suspension and shock absorbers, is safe and comfortable.

**DEMO UNIT IN STOCK AND AVAILABLE FOR IMMEDIATE DELIVERY!**  
PLEASE CALL OUR SALES DEPARTMENT FOR ADDITIONAL INFORMATION.
